## FACIAL TREATMENT

---

### **CELLULAR WATER FACIAL** **(Antioxidant & Moisturizing Care)**

KRW 190,000 / 70 min

A treatment that provides antioxidant energy and moisture to the skin with  
the brands own cellular water

It is a treatment that allows you to enjoy cellular water, which is the most similar to the moisture in the skin,  
because it was born with bio-water imitation technology

It fills the antioxidant energy source and cares for the skin in a youthful and healthy state

### **AGE WHITENING FACIAL** **(Proteome & Vitamin C Care)**

KRW 190,000 / 70 min

A brightening treatment that evens out skin tone and improves skin texture

It not only improves pigmentation, clears skin tone, and returns skin's natural glow and healthy skin tone,  
This treatment is made with extracts of snow bacteria, polar microorganisms that survive in extreme environments,  
to protect the proteome in the skin and improve not only aging but also planned aging.

### **INTENSIVE HYALURONIC FACIAL** **(Moisturizing & Wrinkle Care)**

KRW 190,000 / 70 min

An intensive care program that restores vitality and youthful skin with abundant moisture

A combination of 3 types of hyaluronic acid not only supplies strong moisture deep into the skin,  
but also fills the volume of the skin tightly to create a three-dimensional face

### **LIFT & REPAIR FACIAL** **(Elasticity & Lifting Care)**

KRW 210,000 / 70 min

Premium anti-aging program that simultaneously cares for wrinkles and elasticity lifting

It is a skin treatment that gives a lifting effect to the skin surface, improves wrinkles and gives elasticity
